

Torah iTextbook Project Annual Subscription Agreement

1. Term of Agreement

Hillel Day School of Boca Raton agrees to provide

(Name of School/Organization)

("The school/organization") with an annual subscription to the Torah iTextbook Project's ("The project") educational materials, training and support for the term

beginning on _____ through _____.

Please note that the term of this agreement can not begin until the subscription fee is paid in full.

2. Use of Educational Material

- For the term of this subscription the school/organization will be provided with access to 20 iTextbooks or online courses (see list below) for each student and teacher.
- The number of users will be limited to 50, 75 or unlimited depending on the the subscription type that the school/organization chooses.
- The school/organization agrees to provide an individual email address of each of its users to the project. These email addresses will be used to provide each student with the educational materials and may be used to distribute online surveys to gauge the impact of the project on the students' learning.
- The project agrees to provide the school/organization with any copies of the educational materials if and when they are updated during the terms of the subscription.
- The school/organization agrees to cease all use of the project's educational materials upon cancelation or non-renewal of this subscription.

Annual Subscription Agreement

3. Teacher Training and Support

- The project agrees to provide up to two hours of face to face online training for each of the school/organization's teachers involved in teaching the project's educational materials.
- On site training will be made available by the project for an additional cost beyond the annual subscription fees. The cost for onsite training will be mutually agreed upon by the school/organization and the project upon request.
- The school/organization will have access to both general and iTextbook/online course specific user's guides which the project will make available as downloadable and printable documents on the project website.
- The project agrees to maintain ongoing support through email and/or text messaging for the entire term of the subscription.
- The project will maintain a teacher forum on its web site to enable teachers to share ideas and mutually support each other.
- All training and support will end upon cancellation or non-renewal of this subscription.

4. Subscription Costs (Please Check one)

- The school/organization agrees to pay the project the total amount of \$_____.
- This subscription includes educational materials for up to
 - ____ 50 students (\$1,000)
 - ____ 75 students (\$1,400)
 - ____ unlimited (\$1,800)
